

המדור הביבליוגרפי

פרופ' נחום רקובר

רפואה והלכה — מאמרים בשפות לועזיות

הקדמת העורך

"מטרת חוברות אלו היא להביא לידיעת המעוניינים והנוגעים בדבר את הבעיות, הפתרונות והלכי המחשבה של רבנים ורופאים שעסקו בבעיות אלו... ואשר נכתבו במקומות מפורזים ובלתי ספציפיים לרפואה והלכה."

(מתוך ההקדמה לגליון הראשון של "אסיא", כ' אלול תש"ל)

לכן בנוסף למדורים הקבועים העוסקים בפרסומים מקוריים ובתקצירים בעלי ענין, פתחנו בגליון לא-לב של אסיא את המדור הביבליוגרפי. הביבליוגרפיה הראשונה שפורסמה אז באסיא, היתה ביבליוגרפיה עברית, פרי עטו של פרופ' נחום רקובר, חלק מ"אוצר המשפט" — המפתח הביבליוגרפי למשפט עברי. ה"אוצר" לא כלל הפניה למאמרים בשפות לועזיות למרות המאמרים הרבים שנכתבו בלועזית על נושאי הרפואה וההלכה.

בינתיים השלים פרופ' רקובר את החסר, ולפנינו מוגשת ביבליוגרפיה לועזית מקיפה בנושאי הרפואה וההלכה, המתפרסמת במקביל בבטאון החדש Jewish Medical Ethics שבהוצאתנו. התודה והברכה לפרופ' רקובר, המשנה ליועץ המשפטי לממשלה, שאפשר את פירסום הפרק הרפואי-הלכתי של ספרות לועזית, מתוך המהדורה המעודכנת והמורחבת של "אוצר המשפט" העומד לראות אור בקרוב.
